RESIDENTIAL WATER SMART LANDSCAPE EFFICIENCY REBATE

NMWD is offering residential customers a rebate of 25 to 50% of the actual cost of qualified water efficient landscape equipment and materials, excluding labor and taxes, up to a maximum of \$200. Qualified products include:

- Drip irrigation systems – 50%
- Water pressure-regulating devices – 50%
- Check valves – 50%
- Multi-stream rotating sprinkler nozzles (for lawn areas only) – 50%
- Rain shut-off devices – 50%
- Soil conditioners/amendments (excluding chemical fertilizers/herbicides) – 50%
- Mulch – 25%

PROGRAM REQUIREMENTS

Applicants must:

- Own a residential home within the NMWD's Novato or West Marin service areas.
- Agree to a brief pre- and post-installation inspection.
- Purchase and install the qualified products to be rebated between July 1, 2008 and December 31, 2008. Applications must be received by January 31, 2009.
- Be improving the landscape water efficiency of an existing landscaped area.

You are **NOT** eligible for the program if:

- You or a previous homeowner were issued a Landscape Water Efficiency Rebate in the past.
- Your dwelling is a commercial building or is owned by a commercial or government entity.

How can I participate?

Step 1: Call NMWD's Water Conservation Office at (415) 897-4133 ext. 8711 and schedule a brief pre-inspection.

Step 2: After pre-inspection of project is completed and project is approved, proceed with the landscape water efficiency project. **Rebates are issued only for projects approved in advance.**

Step 3: Schedule a post-installation inspection upon completion of project.

Step 4: Mail in your application along with original receipts for mulch (make copies for your own files) dated no earlier than July 1, 2008. If you hire a contractor, ask for materials and labor to be itemized and billed separately.
