Rising Sun Energy Center's flagship program the California Youth Energy Services (CYES) in collaboration with Marin County Energy Watch is offering any resident of Marin County a FREE energy assessment and retrofit of the items listed below.

**OUR MISSION:** Rising Sun Energy Center's mission is to create a society that uses energy and water responsibly and equitably.

**WHAT WE PROVIDE FOR YOU:** Energy Specialists will come to your home and provide a FREE energy assessment and retrofit that includes:

- Replacing all incandescent light bulbs (indoor and outdoor) with Compact Fluorescent Lamps (CFLs)
- Installing efficient flow shower heads and faucet aerators
- Powerstrips
- Checking all toilets for leaks
- Providing retractable clotheslines
- Swapping halogen floor lamps with fluorescent ones
- Providing information on ways to save energy and water

There is NO COST for any of the above items.

**OUR TRACK RECORD:** This will be the sixth year that CYES has worked in Marin County. CYES has worked in the East Bay for the past 11. During this time we have:

- Hired 675 youths (aged 15-22)
- Served 13,000 homes
- Helped save almost 10 million energy dollars
- 99% of our clients have rated CYES services as good or excellent

**SIGN UP TODAY AND WE'LL HELP YOU START TO SAVE MONEY!**
